

ENVIRONMENTAL PROTECTION ACT 1994

Section 152

**Application notice
Fairview Arcadia Project Area**

Resource activity: Site-Specific Petroleum Activity

It is advised that Santos TOGA Pty Ltd (ACN 077 536 871) has lodged an application for a major amendment to an environmental authority (EA) in accordance with the requirements of the *Environmental Protection Act 1994*. The environmental authority being amended is EPPG00928713.

The application relates to a proposed increase in boron levels associated with authorised releases of treated produced water to the Dawson River at the approximate proximity of latitude -25.708261 and longitude 149.145778. The proposed boron levels have been derived in accordance with the Australian and New Zealand Guidelines for Fresh and Marine Water Quality (ANZG 2018). The resource activity is proposed to occur within Petroleum Lease (PL) 232. PL 232 covers an area of approximately 232 km² and is located approximately 54 km northeast of Injune and 65km west of Taroom, QLD

The application documents for the project consist of an EA amendment application form and supporting information. The application documents may be inspected or accessed at:
