

## Public Notice

### Pursuant to Section 382 of the *Water Act 2000* Publication of Underground Water Impact Report

In accordance with the requirements of Section 381 and 382 of the *Water Act 2000* Santos Limited has developed an Underground Water Impact Report (UWIR) for its southwest Queensland oil and gas operations within the boundary of the area identified in the adjacent map as the study area. A more detailed map is contained within the draft report.

It is advised that any person may make a submission about the application during the submission period, which is 20 business days from the publication date of this notice. **Submissions must be received on or before 4.30pm on 10 August 2022.**

The UWIR may be accessed at:

- <https://www.santos.com/what-we-do/key-facts/public-notifications/> or via telephone 1800 761 113

Written submissions on the UWIR may be made to Santos Limited via:

- Santos Ltd, GPO Box 1010, Brisbane QLD 4001

Please note that as required by section 382(3)(d) of the *Water Act 2000* copies of all received submissions must be provided to the chief executive. The submissions will be considered as part of the assessment process for the UWIR.
