Barossa Gas Project update

Santos welcomes the decision of the Federal Court of Australia today in the case of Munkara v Santos NA Barossa Pty Ltd (No.3).

The decision was in favour of Santos, with the Court dismissing the application and discharging the injunction that prevented pipelay activities south of the kilometre 86 (KP86) point along the Barossa Gas Export Pipeline.

As per the ruling and in accordance with the Environment Plan in force for the activity, Santos will continue pipelaying activity for the Barossa Gas Project (Barossa).

More information on the Barossa Gas Project can be found [here](#).

Ends.
