Recitals

This Agreement sets out the terms upon which Service Provider has agreed to provide Services to Shipper.

Operative part

1 Agreement documents

This Agreement between Service Provider and Shipper is made up of:

- (a) this Form of Agreement;
- (b) the:
 - (i) Standard Terms which comprise the operational and commercial terms set out in Part 3 of the Operational Transportation Service Code; and
 - (ii) description of the standard operational transportation services set out in Part 4 of the Operational Transportation Service Code,as those terms and descriptions are amended from time to time (provided any amendments will only take effect for the purposes of this Agreement from the time determined in accordance with the National Gas Rules); and
- (c) the Facility Specific Terms published by Service Provider for the Transportation Facility identified in this Agreement (in the version identified in clause 3) as those terms are amended from time to time (provided any amendments will only take effect for the purposes of this Agreement from the time determined in accordance with the National Gas Rules).

2 Definitions and interpretation

In this Agreement:

- (a) **National Gas Law** means the Schedule to the *National Gas (South Australia) Act 2008* (SA);
- (b) **National Gas Rules** is defined in the National Gas Law;
- (c) **Facility Specific Terms** has the meaning given to “facility specific terms” in Part 24 of the National Gas Rules;
- (d) **Operational Transportation Service Code** is defined in the National Gas Law; and
- (e) **Transportation Facility** has the meaning given to “transportation facility” in the National Gas Law.
