<sup>1</sup> This report is based on audited accounts.

<sup>2</sup> Comparisons are made to the financial year ended 31 December 2022.

<sup>3</sup> Underlying profit is a non-IFRS measure that is presented to provide an understanding of the underlying performance of Santos' operations. The measure excludes the impacts of asset acquisitions, disposals and impairments, as well as items that are subject to significant variability from one period to the next, including the effects of fair value adjustments. The non-IFRS financial information is unaudited, however the numbers have been extracted from the financial statements which have been subject to audit by the Company's auditor. A reconciliation between net profit for the period and underlying profit is provided in the 2023 Annual Report.
