### **Due diligence access**

After careful consideration of the Indicative Proposal (including in consultation with its financial and legal advisers), the Santos Board has determined that it is in the best interests of Santos Shareholders to provide the XRG Consortium with access to confidential information to conduct confirmatory due diligence and negotiate the terms and conditions of an SIA, subject to reaching agreement with the XRG Consortium on the terms on which access to due diligence will be provided.

The XRG Consortium has indicated that it requires Santos to enter into a Process and Exclusivity Deed (to include, among other things, exclusivity restrictions) before it progresses to undertaking confirmatory due diligence and negotiating the terms of the SIA. Santos intends to negotiate the terms of the Process and Exclusivity Deed and an associated Confidentiality Deed with the XRG Consortium.

### **Next steps for the Indicative Proposal**

The Santos Board confirms that, subject to reaching agreement on acceptable terms of a binding SIA, it intends to unanimously recommend that Santos Shareholders vote in favour of the Potential Transaction, in the absence of a superior proposal and subject to an independent expert concluding, and continuing to conclude, that the Potential Transaction is fair and reasonable and in the best interests of Santos Shareholders.

Santos Shareholders do not need to take any action in relation to the Indicative Proposal. Santos notes that there is no certainty that the XRG Consortium will enter into a binding SIA or that a Potential Transaction will proceed. Santos will continue to keep its Shareholders informed in accordance with its continuous disclosure obligations.

Goldman Sachs and JB North & Co are acting as financial advisers to Santos; Rothschild & Co is acting as independent board adviser. Herbert Smith Freehills Kramer is acting as legal adviser to Santos.

Ends.
